

IVC-19PC-DC

IVC 19" Core™2 Duo Flat Panel Industrial Touch Screen Computer

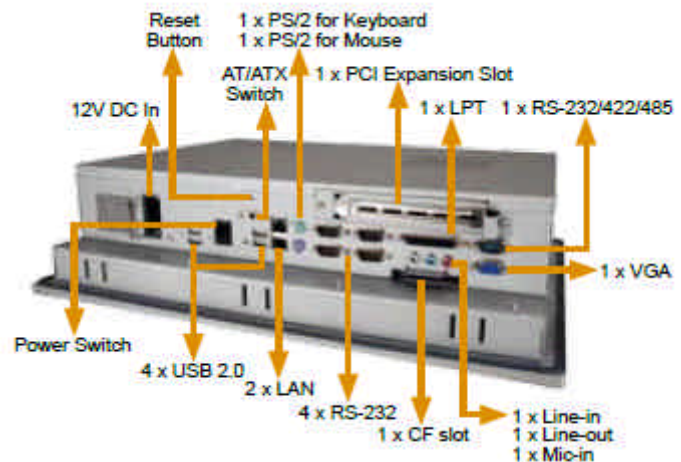

The IVC 19PC-DC offers a high performance Intel® Core™2 Duo industrial panel PC. Featuring a 19" TFT display and an intuitive touch screen. Other features include 4 serial ports (including 1 RS485), Dual 10/100/Gigabit Ethernet, and 4 USB ports. At a depth of 4 inches, the IVC 19PC-DC is a slim and complete PC offering a cost/competitive PC for any sophisticated application. The IVC-19PC-DC matches the systems specifications and panel cut out dimensions of systems offered by AB Rockwell Automation® and Xycom Automation®.
